

Collaboration on fire safety for socially vulnerable groups

Anja Kristin Kleiven

THE NORWEGIAN SAFETY FORUM

A NATIONAL ADVOCATE FOR SAFETY
PROMOTION AND INJURY PREVENTION

A HUB FOR KNOWLEDGE,
INFORMATION, AND CONTACTS

METHODS

- contacts
- webinars
- meetings
- digital coffee meetings
- sharing knowledge
- finding best practice

RESULTS AND CONCLUSION

- Contact with more than 100 municipalities/fire services
- Health services states that it is easier to take responsibility for fire safety when they know who to contact in the fire service
- Personal relations are important
- Defined roles and expectations are important
