A photograph of a person's legs and feet as they cross a zebra crossing. The person is wearing dark pants and dark shoes with red accents. The crossing is marked with white stripes on a grey asphalt surface. A long shadow of the person is cast on the ground. Five speech bubbles with black outlines and white backgrounds are overlaid on the image, each containing a different statement about the person's actions.

# For the man of Success

*- and with a mind  
of his own*

**W**HEN you come to think about it, ROADMASTER makes a singularly fitting choice in fine cars for the man who likes to use his own judgment.

It's not the costliest of fine cars—but it measures up to a standard far more exacting.

And that is—ROADMASTER stands at the top of a line of Buicks whose beauty and engineering and performance have brought them outstanding success. It begins with the things that have made all Buicks great and moves up to its own pinnacle.

This, we believe, is what appeals to the men who can afford to select worth over cost—value over ostentation.

They find here the many luxuries that only the cream of a successful line can bring—limited edition styling inside and out—the most bountiful power plant in all Buick annals—a ride of consummate comfort and restful ease.

But definitely unique to ROADMASTER, in the world of fine cars, is the smooth and truly spectacular performance of Variable Pitch Dynaflo.

For only in ROADMASTER, of all fine cars, can you command the one automatic transmission that is smooth to the absolute . . . and that takes its cue from

the variable pitch propellers of a modern airliner.

Only in ROADMASTER do you have the thrill of calling on split-second getaway at the top inch of pedal travel—with all the gas savings this economy range gives—or "switching the pitch" by flooring the pedal for a safety burst of power.

Don't you feel the time has come to test the mettle of this master car yourself?

Your Buick dealer will be happy to arrange such a meeting at your earliest bidding. Why don't you make the first move and call him this week?

A woman with shoulder-length brown hair, wearing a light-colored blazer over a dark top, stands at a podium holding a microphone. She is gesturing with her left hand. In the background, a green screen displays the text "Brussels Regional Coalition Agreement". To the right, a man in a dark suit is seated at a table, looking down at a laptop. On the table are several water bottles. The background wall is a deep red color.
